## MORE ABOUT JEN

Jennifer Lancaster is an author of books for business or investing novices. Her blog informs new writers on publishing practices, her book marketing experiments and financial tips. She lives in Redcliffe, Queensland.

Her business serves authors who have much to offer in terms of specialist knowledge. Some are history writers or how-to manual writers.

Jennifer has written over 230 blog posts and 40 websites in her writing and editing career. She has written five books and learnt typesetting. Her *Book Creation Self-Publish course* helps educate new authors and promote DIY publishing, rather than relying on expensive overseas author services.
